- 2009 Vice-German Champion

Many victories and placings against abled people up to St.Georg level. Before my accident I started 2 or 3 levels lower. So it is very important for me to have the opportunity to ride against abled people.

I´m proud and very happy that I have the best horse of the world – “Women of the World”. And I´m also proud and very happy that I have the best riding-instructor of the world – Dorte Christensen!

Hanne Brenner in September 2012
